**RE: Business Number (BN)**

Thank you for completing your business registration with the Registry of Joint Stock Companies (RJSC). Every business is assigned a Business Number (BN) at the time of registration or incorporation with RJSC.

**Your Nova Scotia Business Number is: 768584831NS0001**

The BN is administered by the Canada Revenue Agency (CRA) and is assigned to a business based on its form of ownership structure. For example, if you operate your business:

- as a sole proprietor you are assigned a BN for legal structure-sole proprietorship;
- as a partnership, you are assigned a BN for legal structure-partnership;
- as an incorporated company, you are assigned a BN for legal structure-corporation.

If the ownership structure changes (i.e. from a sole proprietorship to a partnership or a corporation), the business requires a new BN.

The BN is a unique number used to identify your business with many government services. In addition to many provincial licences, permits, registrations, your BN may also be used to register with the Workers Compensation Board and to open Payroll, GST/HST or other accounts for your business.

For more information about Income Tax and other CRA program accounts you may need for your business (for example, GST/HST, payroll deductions) visit Canada Revenue Agency <https://www.canada.ca/en/revenue-agency.html> or call 1-800-959-5525.

You will be asked to provide or confirm your BN when applying for or renewing with participating programs.
